

Burbage Police Report. December 2016

Hello and welcome to this latest Community Policing report.

Over the last few months Wiltshire Police has rolled out its Community Policing Team (CPT) model across Wiltshire and Swindon.

Any large scale restructuring is naturally likely to have its teething problems but I am delighted to say that so far the response has been positive. I extend my thanks to everybody within the community for their assistance and valuable feedback, which helps us to continuously improve the way we work and ultimately helps us provide the high quality of service you all deserve and expect.

Partnership work has been incredibly important in this process and we are keen to continue, where possible, working in a joined up approach to deliver that high standard of service.

As we head in to the New Year we can look forward to seeing the results of ongoing innovation and investment within Wiltshire Police. Senior leaders within the organisation have made a clear commitment to ensuring the workforce is fit and well for work and have outlined their dedication to embracing innovation and technology so that officers and staff are able to do their jobs serving and protecting the people of Wiltshire and Swindon confidently, effectively and efficiently.

I would like to reassure you that we are working to improve our 101 system. We have made efforts to ensure the service you can expect to receive when calling for non-emergencies is high quality and we are continuing to work to reduce the time it takes to get through to us.

Going forward, as ever, we welcome and encourage your feedback. Wiltshire Police is here to serve you and we always want to know where you think we can improve and of course where you think we have done well. I wish you all a safe and happy 2017.

Our free Community Messaging service will also help keep you updated about policing and crime in your local area <https://www.wiltsmessaging.co.uk/> Please join if not already done so.

CPT - Current Priorities & Consultation Opportunities:

Traffic matters.

In response to ongoing complaints from members of the public, Parish Councils and Speedwatch Teams our Policing Team will be focussing upon traffic matters, particularly speed enforcement, via the use of UNIPAR devices. Positive action has been requested of our team members concerning the issue of fixed penalty notices and reporting for summons offending drivers accordingly, together with words of advice for minor infringements. Such engagement with our motorists for this period may assist in reducing risk and keeping our communities and road users safe.

Details of actions completed will be documented within our priority investigation log detailing location, times, dates and disposal summaries.

Non-dwelling burglaries Pewsey villages.

In recent months there has been an increase in non-dwelling burglaries to farm and other outbuildings in the Chisbury, Burbage, Savernake and Charlton area. In addition to their investigations our policing team are conducting targeted patrols to relevant areas and engaging in stop searches of vehicles and persons when grounds to do so.

These priorities will continue until the end of December 2016.

Community Consultations.

In relation to our Community Consultations; members of our Police Community Support Officer teams will be attending The Bouverie Hall in Pewsey once per month, to the local Tuesday market. We will continue to provide a monthly presence at this event in addition to our local policing of the east Wiltshire community.

It is also our intention to reinvigorate the local Neighbourhood Tasking Group, to ensure that we are tackling the issues that matter most to the local community.

Community intelligence is the cornerstone to successful policing outcomes. Please continue to report via 101 and directly to your local officers.
